“ *We have lived in the same building as Craig for 10 yrs. We could often pass him coming and going. We had a many of great conversations over the yrs. He'd often make me laugh telling me old stories.*

He was so kind to my son Jackson (who just turned 6) & jackson would often let me know "Craig's home!" He doesn't talk to most adults but he really liked Craig. Craig would even check on me when I was pregnant see how me & the baby were doing. He was very kind. I'm so very sorry for this sudden loss for his family. He was taken so young. We've already felt the loss ourselves. God bless you and help you through this difficult time.- Renée (apt 7)
