“ Dale was a good friend of all IAAI practitioner members and those of us that served with him over the past number of years. He will be missed and IAAI has lost his passion, leadership and most keenly his friendship. Our thoughts and prayers go out to his parents, sister and his extended family both here and outside the United States. I shall miss a good confidant and advisor on uncounted matters. We shall not forget his wonderful smile, wit and words of encouragement over the years. Friends gain strength from one another and we shall miss his interaction, knowledge and guidance. May the peace that passes all understanding be with those nearest to him at this time of great loss. We share that loss and wish to embrace his spirit at this most difficult time.
