“ *I wanted to take a moment to tell you that my heart has been grieving for your family this week. I worked with River to River when I was in advertising years ago and I know great things about Dave. Please know that there are many of us who are praying for your family just as we pray for Amy's family and the boys. I know a little bit about what it is like to be judged because of something that someone you love did wrong and that's why my heart goes out to you.*

I encourage you to seek God in this time of questioning. I'm a Pastor in Carbondale at The View Church and would be glad to offer any help I can to your family in a place free from judgment. Please care for yourselves and for one another and know that you have immense value to God and that he will see your family through this horrible pain by offering you grace.

Please contact me at 618-351-0811 if I can serve you all in any way. Our doors are open to you.

“ David and Cathy, Darren and Melissa, I can't begin to tell you how very, very sorry I am. What a horrific tragedy. I always really liked Dan and enjoyed being around him When we were young. He was a great guy. Each of you as well as the boys and Amy's family will be in my prayers. May God help to comfort all if you and give you the strength you need to handle this.
