“ *Sending thoughts and prayers to all the family.*

*I will always appreciate all you did for My Mom and Kabrea especially these last few years. Mom thought so much of you as you did her. You would do your best to help and answer her phone calls, for that I cannot thank you enough. You're free of all your physical and emotional pain, may you rest in peace, Danny. You will be missed by many.*

“ *I am sincerely sorry for the loss of Danny. We go way back before I even had Christina and I will always remember all the fun we all had then and you were a true friend to me and I wish I could of gotten ahold of you sooner because we always had a lot of laughs and I am thankful for knowing you. I love you and will always miss you save me a seat up there.*
