Tribute Wall

“ Uncle Darrell was a wonderful Uncle. He loved life and lived it to the beat of his own drum. Uncle Farrell was hitch hiking home from California and found a woman in a car by the roadside. He kept his head and delivered her baby. He waited with her until the ambulance arrived. Uncle Darrell also helped Jacqueline Kennedy by climbing the ladder to fix her poorly hung drapes. He sat on the couch beside her. She saw his value. And who could forget his famous goose call. I'll be glad to see him again one day.
Love and prayers to my family.
