“ I'm sure my grandpa, Vernon Biggs, and JD were related somehow but I don't remember. I went to school with Shona, but I didn't know JD and Susie until I worked for Dr. McElheny. I always looked forward to visiting with them when they came in the office. JD will be missed but I'm glad he's with those he loves that have gone on. Rest well now.

“ When my wife and I moved to E. New Thompson Lake Road in 2007, J.D. was a very welcoming presence. He and I would enjoy conversations around the firepit while burning the fallen limbs and gumballs that would accumulate on our yards. He always had a smile on his face and was very ready to help or answer questions about what was going on around the lake. I'm glad he now is joining his beloved wife in Eternal rest. My wife and I will miss him.
