“ *Michele and girls,  
I am so sorry to here of David's passing. I am his first cousin and I live in Kansas and will not be able to make the service. You are in my thoughts and prayers. God will guide and comfort you, I truly know this is a difficult time for you. David was always so happy and I loved seeing the pictures of your family, I know he loved you all very much and he is in Heaven and one day we all will be united. Treasure your memories, hold on to them they will comfort you on those difficult days. David's mom and my dad were brother and sister and his dad and my mom were brother and sister. I have met you before when we would come to visit Ruby, but you may not remember. My mom and dad were Loren and Lois Huffman. God bless you and your family,you are in my thoughts and prayers.*

“ *I am so sorry for your loss. David was a very special cousin and Phyllis and I remember seeing him at our Dad's funeral in 2010. He will be missed. We enjoyed his stories and his research on the genealogy of our family. I remember many Sunday dinners at Grandma Morrison's house.*

“ So sorry for your loss. Dave and I were boyhood friends. Remember spending time at each other's house on several occasions. He had a crush on my cousin but didn't have the courage to ask her to be his girl. He wanted me to ask her. Don't remember how that turned out. Had a lot of laughs together.
