“ I'm still in shock about David . I loved him and saw him often in Cape . He always had a big smile and we always hugged . The very last time I saw him at Cape we didn't hug because we were at the gas station and it was freezing out. He pumped my gas and I thought that was so sweet of course that`s David ALWAYS SWEET! David has a lot of friends and his family loved him deeply. It will be missed. Prayers for his mom , Brother , daughter , grandchildren and their family RIP I LOVE YOU

“ David was a swell guy. He and my brother, Steve, were buddies during their school days. He went with us to Mammoth Cave one year and was a complete pleasure to be around. My prayers are for his mother and family.
