“ *I am one of many of Deb's American Sewing Guild friends, and I'm so sad that we've lost such a sparkling, kind lady. Deb was one of the first friends I made in the group. Deb was very active in ASG and often brought items she made for family and friends. She had a real talent and a creative drive. We were delighted to see her at the spring ASG meetings, and cheered with her as her hair grew back as she seemed to be on the road to recovery. She looked forward to living in Florida, I hope that memories with family bring healing. I will often think of my delightful friend. --Sue Tin*

“ Ron and Family,
Sending our deepest sympathy. Our thoughts and prayers are with you. We have so many wonderful memories of great times with Deb (and you) attending musical performances during the past 20 years including Jazz and Blues Festivals, First Night Springfield, Uptown Friday Night, State Fair, etc. Deb was always so enthusiastic and positive even during her lengthy illness. She will be greatly missed.

I'd known Deb since kindergarten, back at Hanover Countryside in Streamwood and have been blessed to have her friendship for all those years. Speaking for the entire Hanover Countryside group, and her classmates at Larkin HS, we love her and we love miss her fiercely. We wish her family the deepest of comfort and peace at this time of heart-breaking loss. Our prayers are with you.

“ *Sending deepest condolences to Ron and the entire family. Deb was one of our best friends. We spent many occasions together during the past nearly 20 years attending music performances, festivals, First Night Springfield and dance lessons. She was always upbeat and positive even throughout her lengthy illness. She will definitely be missed.*
