Delight and her late husband, Gary Easton owned and operated Easton Automotive in Murphysboro for many years and were avid race car fans and were well known on the Outlaw Racing Circuit as "Easton 88". Her other interests were doberman pinchers, reading, crocheting and politics. She loved to play gin rummy and to visit with her family.

“ *Our family and the Lighthouse Apostolic Church did not have the privilege of knowing Delight for very long, but it was long enough to discover what a lovely person she truly was both inside and out. We also dearly love her daughter, Cricket, who is part of our church family. We are holding up your family in our prayers and ask that the peace and comfort of God's Spirit will rest upon you all during this time of great loss.*

*With love and prayers,
