“ *Dear Chuck and family:
We are so sorry to find out about Dolores' passing. Although we have not been in touch much lately, memories of our days at Murphysboro, picking up the kids, seeing Dolores and you amongst all the parents, all those band trips, all those Boy Scout meetings,... You are in our thoughts and our prayers. God Bless you and your family and keep you all safe.*

“ The family is in my thoughts & prayers. Everyone who came in contact with Delores fell in love with her. I remember going to the Nazarene Church when I was a child & she would be there. I never once saw her without a smile. I will miss her.

“ Our annual Christmas shopping weekend every year let our guys know we could "shop til THEY drop"! Chuck and Jim always managed to hang-in-there with us to the last store we needed to hit for the bargains. Just two weeks ago they spent the weekend with us. It was a low-key weekend but that was ok...Dee needed to just rest up. We crafted, made some candy, laughed, shared kids and grandkids stories and shed a few tears together. We never grew tired of each other. We always found something to involve the other in. She was very involved with my Girls' Camps at Nazarene Acres and always wanted to do more for everyone. I can think of many many things I could share about our friendship. I will dearly miss my best friend.

“ Chuckie Duck, I just want you to know how thankful I am that Dee came into your life. Her faith helped to bring you to know our Saviour Jesus Christ. She has earned her wings and is up above watching over the family now. We will be with her again someday but until then our work is not done here. I considered Dee a sister more than an in-law. I love you deeply and may God be with you, the kids, and grandbabies through the coming days. Little Sis

“ Momma Dee will be missed by all. Our deepest love and supporting prayers go out to the entire family. We all (including my parents) wish we could be there for the funeral, but will have to attend in spirit only. We love you all and want you to know how much your family has always meant to us. We send you the wrapping arms of Jesus to console you in your grief and bring peace to your aching heart.

“ Deloris was a very special and sweet lady. My fondest memories were working with her during children's camps. I had so much fun teasing her. She was always a good sport. I will miss her very much. However, I know the day will come when we'll see her again. I can say that because I know the life Deloris lived. I have no doubt she is rejoicing with Jesus.

“ My love and prayers go to you Chuck, Cindy, Chris, Danny, Michael and Chuckie. I include in this those beautiful grandchildren that she loved so very much. Delores was my very best friend! I have wonderful memories of all the times we shared together. We were "do-everything-with" friends! She was just like a sister to me and I am going to miss her so very, very much!!!! I am so glad she could proclaim "IT IS WELL" and that I will see her again as she waits for all of us on Heaven's golden shore. I love all of you and hurt along with you.
