“ *My MeMa. She was my hero. I will always treasure the times she would come stay with us after we moved away. Those precious memories with my kids. I can hear her now saying " Well crud". I can't believe I'll never get to see her or hug her again in this life, but I know I will in heaven. And I also know she's with her Jesus now. And her baby boys and daughter that she missed so much. No more earthly worries for her. I love you Mema. You're walking those streets of gold now. See you soon.*
