“ Lynn was a wonderful, sweet lady. She has made me many a quilt over the years including a baby quilt for her granddaughter Elora. Yes, she has/had three grandchildren and she was loved dearly. We will miss her very much ! My favorite memory of her was when we all came to visit her at her house in Illinois.... We were running from a hurricane in Florida lol. She had this huge dog that my son absolutely fell in love with. A swing in the tree in front yard, and jars and jars of canned goods. We stayed almost 2 weeks! It was wonderful. Elora was only about 7 months then. Love you Lynn. Brent, very sorry for your loss ☐. Love, Joanne Dudman and Elora Lee Massey.
