“ *We lost touch for so long until you called me 5 years ago. We talked for hours. The memories we shared that day are worth a lifetime of laughs. It was excellent. I am very fortunate to have had that time with you. I didn't know of your passing until dad passed in 2018 & I tried to locate you. Now you, dad (Larry), JB, Aunt Star & Aunt Darlene, Grandma & Grandpa are together again & sharing those same & many more memories. Hoping you are enjoying them as much as we did. Love you, Danelle Ross-Spivak*

“ *Dear Aunt Dolores, I'm sorry we lost contact with each other. You should know that you were thought of and you were loved.*
