“ *Hello to the McRaven family. I want to say that I am thinking about you and saying prayers for all of you that your memories of this beloved man, keep you comforted and encouraged through out the rest of your life's journey! I had the privilege one evening to "sit" with this man. I seen more family than I knew what to do with! (and I was told, "this wasn't even the half of them!") Lol I enjoyed every minute (of my 6 hours) with ALL of you. My short time with Bullet and his family was an awesome reminder that LOVE is the most important thing we can have. Starting with the love of our Lord & Saviour, Jesus Christ! Thank you for making an "outsider" feel like family. I enjoyed praying with each one that that prayed over this man! I enjoyed singing along with those great "hymns" that Daphene hooked her Daddy up with on the iPad that set the atmosphere for the Holy Ghost to continue to minister to all of us when the night closed in! The stories of everyone of you just made me laugh out loud and my heart smile. Lastly, please tell the love of his life, (I briefly called her Momma), that I can not imagine the pain and loss she is feeling! To have been married and loved that long is nothing less than a miracle and the work of the All Mighty God! Like I said that night, "There is NO WAY" I would leave my husand" and you never did! Thank you McRaven family for my memory now, too!
Love, Angie Butler (Saint Francis Employee)*
