“ *We wish to express our sympathy to Don's family. Don was a wonderful friend and neighbor. He came to our aid many times to blade the snow from our drive and trim and haul limbs from our yard.*

He was a fixture in our neighborhood and town. He will be sadly missed by all who knew him. We will miss seeing him smiling and waving from his truck.

“ *Condolences on the passing of Don. The old blue pickup truck always meant it was time for baseball season! Now as a father and a coach, I understand how much time Don put in for us to have good baseball in Murphysboro. Without his hard work, the Harrison fields may have never happened. Most of all, Don made Murphysboro a better place.*
