“ *I met Donn when I cycled from Kanada to Florida in 2009. We met again in 2011 when I rode the Mississippi River Trail. My video of Donn performing "So ein Tag, so wunderschön wie heute..." always makes my audience applaude. In October 2020 I wanted to meet with you again on my 3rd tour that will bring me to Cape Girardeau... and only now I learned that you passed away more than 2 years ago. I am so sorry and sad. You really made an impact. I will miss you!*

“ *Donn has been my neighbor all my life. He has taught me many things during many of our debates. I am surely going to miss his singing and whistling in the morning. May you rest in peace. You were more than just a neighbor or friend, you were family.*

I didn't know Donn well, but I knew him for a long time. I always made an effort to be friendly & talk to him whenever & wherever I saw him. He definitely was a man with a brilliant mind & a unique lifestyle. 😊 You could learn many things from him. He sang "opera" for me whenever I would give him a ride. Thanks Donn, for your friendship. RIP

“ *Donn and I became friends at age 4 and remained friends throughout our lives. I am having trouble coming to terms with his loss. The Minstrel has left us and we will smile and remember his songs and terrible puns and jokes. RIP my long-time friend. You will always be in my memories.*

“ A kind man whom had a heart of gold...when I think of you im going to remember you and your many traveling signs...he told me once hitching rides allowed him to meet new people... I wish that you wasn't alone on your last ride home but knowing that your dog decided to travel with you give me peace... Good by old friend till we meet again ..
