“ *Donna was a good friend while I lived in Dongola. We worked together on a number of Girl Scout programs. We I decided to go to nursing school. Donna took the entrance test with me. We both where accepted. We had slot of fun together and helped each other through trying times. Always miss her. Prayers to the family. Jane (Jackson) Nimmo*

“ Donna was such a caring and loving woman. She took so many people in as her own family and was always so accepting of people no matter what walk of life you came from. She was there for me through it all, and I loved making cookies with her, and baked goods. I remember when I was younger we would love to go to Cape and shop at sears. We would also stop at Chick-Fil-A and she would play Tangled on the tv in the car. Each year on the holidays she would spend countless hours cooking for the family, and would always make the best pumpkin pie. I wish I could hug you one last time and tell you how much I love you. Thank you for always believing in me, and accepting me into the family. I'll always love you,
