“ *Papa Grubb was a truly great guy who loved his family, friends, music, art, and animals. He was a gentle soul, and he will be missed!*

“ *Donnie was my friend. He suffered much in life, but he enjoyed every minute of it.
The obit neglects to mention his son Donnie Wayne Grubb Jr. who passed away from injuries sustained in a car crash in 1995 at the age of 23. I will miss my friend from now on, but I {and we} will carry on just like Donnie and his wife Brenda carried on after the terrible loss of their beloved son Donnie Boy. They found strength in each other.*
