“ *Ann and Nancy,
We were saddened to read about the death of your mother.
We shared our memories of her today. My mom remembers your
mom as a good friend and a very good bridge player. My memories
are as a co- worker at SIU Student Health Services. I remember her
white uniform, kind manner, beautiful skin, and the great food she
brought to the potlucks! I always enjoyed chatting with her when she
came back for parties after she retired. Our thoughts and prayers
are with you and your families.*

*Sincerely,
Mona Geyer

Klopp always greeted me with a warm smile and conversation.
Often she would pack my pockets with cookies. She was a dear!!*
