“ We will always remember our dear friends Tony and Doris from the first day we met in 2010 at Sarasota Bay RV Park and became fast friends! Two finer people you will never meet!

“ Dorris was my 2nd-grade teacher, we were her first class. We became friends after running into each other at auctions. We would meet up when she was here, for lunch and catch up on everything and have a few good laughs as well. When in high school I babysat Jeff for them. I will miss her, we last spoke on Christmas Day and were planning a day to meet. Fly High my friend until we meet again. Love Bev
