“I worked with Duddy forever ago at Culvers. He was always so funny and kind and never had a bad day. It was my first job and he always tried to go out of his way to help me get the hang of things or lift my spirits if the night had gone bad. I'll be praying for peace and comfort for his family and friends in the coming days!”

“Duddy and I spent a lot of time together this past year, though I've known him for 6 - we worked together at BWW. He was one of my favorite co-workers. He has been there for me when I really needed friends around. He always had something clever and funny to say to lighten even the darkest mood... I miss him so much... 🧡🌸”
