“ *To the family of Joann, I am so sorry for your loss! She was such an incredible person! Growing up across the street I remember how kind she was to my parents and me. She always had a good story to share. I loved her independent nature and how she took on the world.*

“ *Joanne was my father's only sister and we have always shared a special bond. She had beautiful handwriting and still wrote letters by hand. I love her and am going to miss our talks on the phone. She is in Heaven now with her parents, husband and son, and they are rejoicing there. Not sure my dad's waiting there or not. :) Love, Gail Parrish Ellet*
