“ *Dear Lisa & Shawn,
Please accept my heartfelt sorrow for you and your family in this time of need. I see the many challenges you and Shawn have ahead but your intentions to care and support your Mother in this time of need is wonderful and shows your priorities to family. I will pray for you and your family and especially for your Father's eternal happiness.*

“ *Dear Lisa & Family,*

I'm so sorry to hear about your loss. I believe I only had the privilege of meeting your dad once, but I have been invited to many functions at your parents place. The fact that you guys are so family oriented leads me to believe that he was a good father and husband. He will continue to influence your family through those teachings and memories. My family sends our condolences to yours and you all will be in our prayers.
