“ On Behalf of the Mitchell Braxton and Smith Families We want to let you know that we are uplifting each one of you in prayer. Your Father was truly an outstanding man that enriched so many of our lives through his love, kindness and support. He was like a second father and mentor to us. From the time your family moved to Cape Girardeau, MO we were blessed to be your neighbors and still remain very close to this day. We are so very thankful that our paths crossed and GOD Placed Mr Mosley in our lives. We are grateful for the times he visited our Dad while he was in the hospital, for all the delicious meals we ate at you all house and all the times we visited each other. May GOD continue to bless each and everyone of and just know that weeping will endure for the night but Joy will come in the Morning. Hold close all of the joyous memories of your beloved father, grandfather, and uncle and know that each of you were truly blessed to have a father that was a devout believer in GOD and treasured his family.
