“ Lifelong neighbor and friend. I grew up with her as my neighbor and became friends with my first forever friend Delores known as dee dee or digs. What a lady. She took care of all of us. I remember her smile. Last words she said to me a few years ago was I love you. That's Edith always full of love. I learned early not to make her mad. Short story. Freshly mopped gloves. Me running through her house and getting popped with her dish towel Only took once. RiP dear lady. I loved you then. I live you now and I wi love you tomorrow.
