“ *Prayers to Mrs. McRaven's family. So sorry to hear of your Mother's passing Daryl. It's been a long time since Shawnee but when a classmate loses a parent, time means nothing if we can offer comfort.*

“ *Grandma Holler,*

Thank you for being the inspiring foundational support of our 5 Generational family!!! I could never imagine a life without a grandma and grandpa so rooted and determined to get thru any hurdle sent their way. Thank you for all the Sundays/ Holidays/ and family get togethers hosted in the Holler, for always yelling at us kids to go play outside, for letting me eat at the adult table when it was my time, for those amazing chicken n dumplings, for always whispering "I love you" with that special pinch when I kissed you goodbye after every visit and most of all for leading me to the Lord!! Until we are reunited and rejoicing in Heaven together, I will wait patiently on earth celebrating YOU and our memories together! LOVE YOU FOREVER and ALWAYS!- Chels
