“ I don't even know where to begin, you always told me how proud of me you were, people are always thanking me for what I did for you, the truth is, I wouldn't have wanted to be anywhere else. it was an honor to be able to take care of you, I never felt, I gave you what you deserve though. I don't know if I will ever understand why someone as loving, caring, the closest thing that I can say is an angel on Earth, had to suffer as much as you did, you always said you guess you were a baby, you just couldn't handle pain, I want you to know the strongest woman I know, to have kept fighting and going through all you have. although I am so happy that you are in no more pain and I know you are up there "strolling all over heaven" singing his hymns with that beautiful voice of yours, my heart still is shattered 😞 Mom, I miss you so much, and I love you more than you'll ever know, you were not only my precious mother, you were my best friend ☐ I sure could use a hug from you right now. 😊 Until we meet again, your loving daughter, Chastity. GOD BLESS 🕊️💕🙏
