“ *Janet and Bill your family has my deepest sympathy. Janet, you can't imagine how often I've thought of Kendall and Sharon Hughes being supportive of me during the time that I came to the realization that my mother was slipping away. The children of 1917 were a very determined and strong generation. Please know that my prayers are with all of you at this time. Kendall your kindness will remain in my heart forever (you and the Southeast staff were my family). Fern's smile will always be a lasting childhood memory. First Baptist Bible School would not have been half as much fun without her laughter. God bless you. Sharon Bell*
