“ Everyone is in my thoughts and prayers. Flossie will be greatly missed, but, through the years there have been so many good memories and I hope those times will bring you some comfort. I have been a friend to Etta & her family since 1977 and we, TRW Accounting Dept., always loved it when Marion and Flossie came for a visit because Marion would tell us many stories while Flossie would whip up some of that good cooking for quite the feast. Now they are together, again, and doing the same thing in Heaven besides watching over everyone down here.
