“ *Fred Cook was more than my friend he was like family to me,we talked often on the phone, I've known him since 1985 where I first met him on the job. After retirement he traveled to a few places he wanted to see,i think he had one more on his list. I know his Mom and Dad were there waiting for him when he crossed over. I'm going to miss you buddie until we meet again... RIP*
