“ To his family: You are all in my thoughts and prayers. As well as his precious Maggie. I am so so sorry. He and I were hired just about the same time at TG in 1996. We became very close friends and traveled several times to California. I have so many great memories but I guess one of my favorites was the time we rented the new white Chevy Camero Convertable. Omg, did we have a blast with that car. 😎 We had the world by the tail...lol So many awesome times. It's just so hard to believe he's no longer with us. I just talked to him Saturday and never thought for one second that would be our last conversation. I loved him like a brother. You are certainly going to be missed Fredrick. Rest In Peace my wonderful friend...
