“ Robin, I have so many fond memories of your mother -- going back to 4th grade for us! I picture her still with a glass of her iced tea, no matter the time of day. And referring to everyone as "kid". She was a grand lady and she will be missed. She loved you so much and always referred to you as "her rock". You have served her well at this time in her life, as she cared for you when you needed her -- and now, she can finally, once again be with your dad. They were indeed good people and I am proud to have known them!  
Take care my friend! You are in my thoughts and prayers! Love,  
Wendy
