“ I always remember Gary being such a sweet man. When I was growing up, he was always so nice and funny. I loved talking to him at get-togethers. The last time I saw him was probably about five or so years ago. I was in town visiting my Grandpa(Eddie Crowell), when we ran into Mike Isom. We then went across the street to say hi to Gary. He was always such a nice man. I remember he was admiring my Grandpa's car, a Chevy Impala. Gary was the kind of guy that everyone loved to be around. He will truly be missed. See you in heaven, Aimee Early
