“ *Todd, I didn't know your Mom had passed until I was looking at another obit online today. How weird, I find out on her birthday! Gerri and Kenny were wonderful people and what a love story, we should all be so lucky. Please accept my condolences for your loss, my mom's passing left a hole in my heart that doesn't heal. I know you were her greatest advocate and she loved you so much. Prayers for you and your family.*

“ *We were neighbor's of Gerri and Kenny in Marion, Il where we were always at one another's houses, sharing meals, family games, and general fellowship. Their youngest child, Kendra, was the age of our daughter, Amy. When our children fled a burning home (careless babysitter), it was the Scrantons who made sure both of our little ones were safe and reached out to comfort us. Gerri was a good human and we are so sorry to hear of her passing. Our prayers are with her children, grandchildren, and greatgrand children. May your hearts be comforted at this sad time.*
