“ *My sincere condolences to Tony, Logan, Aaron, her sister, brothers , and grandchildren, I recently seen Tony in Cape and just a week ago at st. Francis, with her brother Mike, and sister in law Rosa Barringer, and I ask how she was. And Sunday she and her family was on our prayers at Church, I know Tony was going through what I'd gone through in 2014, Caring, Worried , and tired. And I know words don't mean much . But you and your family have been in my thoughts and prayers. Gerhonda will be missed by many who knew her*
I remember when she'd come down to BP with Tony and their children and have coffee and keep me company. A gal who was no stranger to anyone, open minded and unselfish. With a big heart. Never trying to be fake to impress anyone. Rest in peace 🕊️.

“ To Mr. Wood, Logan and especially my brother Aaron... I share in your grief. I'm truly sorry for your loss, brother. Losing a mother (and life partner Mr. Wood), has no doubt left a gaping hole nothing in this world can fill, but her love is something death can't take away. It's woven into who you ALL are — in the way you speak, the way you care, the way you live. Grief will surely come in waves in the coming days..... some quiet, some heavy, but I pray in time those waves carry more peace than pain. May you find comfort in knowing her presence still walks with you, unseen but never absent. And if the weight ever feels too heavy, I'm here to help you carry it. God and your mom brought us together throughout all of our meeting up at the hospital. I love you bro. Whatever, whenever407.714.8397 anytime, John
