“ *I know Glenda from The Arbors at Westridge Place. My mother was also a resident so I spend a lot of time sitting around the table visiting with the ladies. We all love Glenda. She was such a joy and so loving. Always in a cheerful mood. I have a photo of her dancing with my grandson last May. She spoke of her family often. She was very loved and will be missed.*

“ Dear loved ones of Glenda, I knew Glenda through the Missouri Veterans Home and her dear husband Wink (who was quite a character, but dear in heart). We had the opportunity to travel to the Myrtle Beach house and other trips. I will fondly remember her caring, elegant service, and delicious treats and soups. May God welcome her home and give all the peace that only God can give to you as you mourn your earthly loss. I am blessed that Glenda and my paths crossed.
