“ Words are never adequate to express what we (family) are feeling as we grieve with you. Your mother was a very special person. I know that she and my mother shared a close bond of friendship and love. I commented to Ronnie how much her picture reminds me of Auntie (her mother). Auntie was very special to me and i loved her. I remember how loving and kind she was to me as a child and my last visit with her when she lived on camp street. My sister recently sent a picture that included Glendora, Auntie and other family members. Glendora is next to my mother and then Auntie. Praying for peace and healing as you move through the days ahead.
Shalom...Terry, Gary, Barbara

“ *I loved Glendora! It was such fun when they came to visit Alma and Lannie Shartzer with all the kids. I remember when Randy and Lisa were born. You all visited my Mama and Daddy's house several times and we had such fun. I always hated when you all had to leave. Glendora had the most beautiful laugh and smile. Always loved talking to her. She always reminded me of her mama. My deepest sympathy to all of you for the loss of your mama. May her memories live forever in your hearts. Love Barbara Burkhead Whitley*
