“ To the Schemonia Family. I am an old friend of Kenny and Larry. As I was looking up their names on Google, I discovered your family has been hit pretty hard with losses. I wish I could find some words to say to help heal the hurt you have endured, but alas such words do not exist in my vocabulary. Therefore, I will just lift the Schemonia family up to God in my prayers and ask Him to send you His peace...

“ I am sorry for the loss of your husband, father, and grandfather. Uncle Glenn always held a special place in my heart. His smile was always genuine and welcome. I'm sure he will be missed greatly. Prayers for peace and comfort during this difficult time. Sue (Gill) Wade, daughter of Bud and Virginia (Schemonia) Gill. May God bless.

“ What a special man!!!! He was a great employee of my father and mother....Robert E and Maxine VanCloostere. My Dad had so much faith in his knowledge of machinery and repair work. I, myself, enjoyed our talks about the past and his passion and my passion for our cattle. There was only "one" Glenn Schemonia and I am happy that I could call him a friend.

“ Mrs. Schemonia and your family I went school with Chuck, Larry and Kenny in Alto Pass. I remember when Glenn had his garage in Alto Pass. I also remember talking to you and Glenn camping. He will be missed very much. I live in Humble Texas now so I won't be able to come but you will be in my thoughts and prayers. Take care of you and your family.
