“ *When I see a member of an east Pasadena friend it still feels like family. We were all so blessed to grow up with each other and I don't think anyone will ever forget when the family packed up and moved. Harrell was a gentle guy and meant a great deal to my family, especially my 3 brothers. Sending so much love to the Hobbs family. I know how hard it is to say goodbye to a brother so my heart goes out to Vickie, Darrell and Steven. With my deepest condolences.*
