“ *Sending my condolences to Florence and family. Met Harry thru helping Florence at their home these past 7 years. He was a great live-in support system for Florence when she needed him the most. Respected him and his freedoms to choose his own life and priorities. We all helped each other of the home's needs. Keep his legacy alive in your hearts, souls, and minds. He is resting moreso now with Jesus in heaven. Hugs and prayers for all. Karen McMinn-Carbondale IL ACHS Homemaker*
