“ *I have many memories of Harvey, talked with almost daily for a few years of my youth at Flentge's appliance, he was a kind man. He worked hard despite his handicap and struggles, didn't complain, looking back he was quite impressive. Sending flowers to my mother's funeral was the greatest gift he could send endearing him to my heart. He is now in God's angels arms and on his way to heaven. Richard Flentge*
