“ *I worked with your Mom at the State Bank for a year and at Anna National Bank as well. I always enjoyed her smile and sense of humor. You both were still in school when I first knew her and she spoke of you often.*

When she came to ANB, she talked about both of you and your families and friends with great pride. Sorry I couldn't convey my sympathy in person but please know you and your family are in my thoughts and prayers. She will be missed.
