“ Holden and April,

Even though Hunter was only on this Earth a short time, he knew and felt love greater than any other person could from the two of you. Remember he is always in your heart. Lean on each other during this time of sorrow. I am so honored to have cared for him, I am forever blessed.

“ *Baby Hunter, God's handsome little angel. May you watch over your loved ones here on earth, and comfort them thru this hard time. You was only here on this earth for 19 days but you brought happiness to so many people. You will always live in our hearts, and you will never be forgotten. Til we all meet at the Pearly Gates. May God Bless you all.*
