“ *Just found out about her passing, I hated to hear this. SHE taught me at Orchard Hills. She was one of my favorite teachers.*

I truly adored her.

I remember sitting in her class as she taught i was already taller than her in 3rd grade.

And as she was speaking bees kept coming in the window i was near the door not the window to me she kept cringing smacking the bees with a swatter off my head worried i was going to get stung as she smashed them.

she asked me what hair shampoo i used because the bees obviously like it. LOL

She was truly a great teachers.

She often spoke in class that her first teachings where in a 1 room school house as you went towards ava, illinois.

I will forever miss you

“ I wanted to offer my deepest condolences to Mrs Blessings family. She was my 3rd grade teacher and my favorite. I was in her third grade class the year her husband passed. I will never forget it. In later years, I would see her out doing yard work as a came and went to work at SIU. I never told her how inspiring she was to me but she truly was. God bless you during this difficult time.
