“ *Clint, Jackie, and Lorraine -*

We were saddened to learn of your father's passing. There are so many happy memories of family weddings, reunions, trips to restaurants, walking through the orchards, and adventures on the farm with Bandit. I remember my brother Kevin jumping on Jack's back and yelling, "Jump on Jack. Watch TV!" Fred and I cherish your family's traveling through the blizzard to attend our wedding in Kansas City many years ago. My father loved hunting with Jack and I have memories of cleaning the bounty. May these memories and so many others of Jack's openness and generosity bring laughter and strength on difficult days. We love you all and wish we could be there with you.

Love,
