“ You have no clue how much you're really missed. I can remember this talk with you. As you said no one would notice. Well bub I'm here to tell you AGAIN, everyone misses you. However your struggle is over and I'm sure life is beautiful and everything you've ever tried to make it be now. I know we were cousins by blood, but we were brother/sister by heart. I sure miss those days we were inseparable. As my heart still aches and the tears still flow, I want to say, I hope you're singing in Heaven!!
