“ *My dear brother, I miss you so much already. We talked every other day for a year. You had a hard fight with that cancer and for that I'm so sorry. I love you brother. My heart is broken but I'm glad you're no longer in pain. Rest easy Jack. Until we meet again xoxoxo*

It is so heartbreaking to say goodbye to a dear friend, unless you know they were suffering and that when he crossed over he would be received by family. I'll miss you Jack. I'm glad we got the opportunity to meet. I'll see you later.
