“ Evon, My heart breaks for you. I don't know if you remember me, but I am Donna Braun. I am Bonnie Johnston's youngest daughter. I am so sorry for the lose that you have had in your life. I was more Kims age...a little older, but I always thought I was in charge of all of the kids my Mom kept. (She loved that Job she had) I remember how beautiful I always thought you were. I know were you lived and know the people that live there now. I was sure you lived in a mansion compared to our house. I hope I can see you, and give you a hug. You have had to much in your life. I pray tonight with all I have that God will hold you and comfort your pain. You guys made such a lasting memory in my mind. Love you and thinking of you .
Donna Johnston Braun.
