“ I’ll never forget the time we first met in North Carolina. For over 20 years you were my closest best friend. I can’t believe tomorrow I say good bye to you. I love you dearly my friend and glad you’re no longer in pain. I’ll cherish the years of laughter and love and support for each other. It’ll never be the same without you Jamalle.

“ I’ve known and worked with Jamalle the last four years. He was a great person to work with. Always cracking a joke with the team or in 1x1s. I hate to see him gone so soon. This doesn’t seem real, I will miss his smile and his love for Mariah Carey. Work hasn’t been the same without you my friend. Rest in peace, my condolences to your family and friends.
